

We Have Missed You

LET'S RECONNECT!

It is our desire and goal to keep pastors, staff, volunteers and members informed concerning breaking news, upcoming events, spiritual advancements and associational support/resources. This necessitates us being able to contact each other speedily at times. We intend to *ReConnect* with anyone and everyone who is interested in receiving the associational newsletter, viewing the GBA website, and following the Facebook and Instagram sites. Together, we can expand and renew what the pandemic has taken from our churches. We serve to partner churches together for the spread of the Gospel. Our role is to aid you and your church in making an eternal, Kingdom impact!

Please, **join the communication stream** by calling the GBA office (618-254-3953) or email us at admin@gatewayba.org. Give us your email address and you will gain local, national and global mission and ministry information.
